Exodus 193-6, 10-19
Jeremiah 31:33

The law aligns God's people with His will.

Influence of the Kingdom manifested in the physical realm:

1. The parting of Jordan river [Joshua 3:14-17];
2. The collapse of the walls of Jericho [Joshua 6:20];
3. The sun that stoods still does not set [Joshua 10:12-13].

When God's people walk in obedience to His commands, He grants them victory and favor. But when they turn away from His laws defeat and hardship follow.

In the old times, rituals were practiced as atonement which refers to the act of covering or removing sin so that the relationship between God and His people could be restored. [Hebrews 9 :22]

The Levitical law ended because Christ fulfilled it.
He became the final sacrifice, making the old rituals no longer necessary.
