PURPOSE (WHY): the original intent of creation

POTENTIAL (WHAT): the built-in ability to fulfill the purpose

PRINCIPLE (HOW): the guidelines and laws to function

The CHURCH is an agency whose main purpose is to represent the Kingdom of God in Heaven on Earth.

Therefore, each person in this community is expected to reflect that Kingdom in thoughts, language, actions, and unity.

An AMBASSADOR represents the Kingdom that sent him.

His life is not his own; He doesn't have his own opinion; He will only reflect the SOURCE.

Since all of us are created according to God's PURPOSE, we are all created with POTENTIAL to do what we are made to do, through PRINCIPLES set by the Creator King.

The Bible is about the governance of God, our King, towards His creation, who were made to accomplish His purpose until we reflect all that is about His Kingdom.

Correct info (Knowledge) and Right Understanding (Comprehension) result in Appropriate Application (Wisdom).

Tayo ay ginawang kawangis at kalarawan ng Manlilikha, kaya naman tayo ay mayroong pang-unawa sa mga bagay na magiging kasangkapan upang maisagawa ang Kanyang layunin. Marapat na tayo'y mamuhay ayon sa Kanyang disenyo.
