Revisiting the Theme

(The Influence of the Kingdom)

May 26 Tatay Pastor

Luke 13:6-9
Exodus 19:5-6

We are fig trees planted in His Vineyard, owner by the Lord our King
He is expecting us to bear fruit – Fruit of the knowledge of the Kingdom.

Luke 13-6

The King is giving us a chance, to be influenced by the Kingdom mindset and culture, and to be an influencer of the same Kingdom to others.

Matthew 13:33

Revisiting the theme "The Influence of the Kingdom" means we assess and evaluate ourselves as to the changes we have experienced from the former to the present. What kind of impact does the Kingdom of God have in me?

Matthew 16:5-12

The teachings (yeast) of the Pharisees and the Sadducees are not from God, but from human traditions, and it distracts and misleads people from understanding the teaching of the Kingdom of God.

Yeast can not be overpowered by flour/dough, because it can cause change wherever it is placed.

Just like yeast, wherever the Kingdom of God is proclaimed and acknowledged, it will cause great change and impact.

Yeast can never become dough.

Yeast can never affect the dough unless it is placed in the dough

Yeast can never be extracted
Once we become saturated by the Kingdom of God there is no turning back

Yeast is useless if it remains in the package/container.
MoWe must go out and preach the Gospel of the Kingdom of God so that others too may be influenced and changed by this teaching.

Yeast works quietly but effectively

While we delve(Dive/Dig) deeper into this teaching, it must first have an impact and influence in our whole being before it affects others

What are the things that hinder us from being influenced by the Kingdom of God?

- ***Our old Mindset. Specially the Religious mindset***
- ***Resistance to the truth that Jesus talked about Government, not a religion***

Isaiah 9:6

- ***KNOWLEDGE OF THE CONCEPT ABOUT THE KINGDOM IS UNKNOWN TO MANY***
- ***There is no Fear (Reverence) of the Lord***

THE INFLUENCE OF THE KINGDOM WILL NOT HAPPEN IN OUR LIVES UNLESS WE CHANGE OUR MINDS AND DECIDE TO LISTEN AND STUDY ABOUT THE KINGDOM OF GOD.
