Upang ang isang follower of Christ ay lumago, kailangan niyang mapabilang at manatili sa isang COMMUNITY, kung saan may kulturang sinusundan, at may pagtuturo sa bawat isa.

Kingdom Community:

A people living under the rule, values, culture, mission, of the King [HEBREWS 10:26]

HEBREWS 10:25-26
The Kingdom Community helps us to grow in the knowledge of God, and be restored according to God's original plan.
The Kingdom Community is here to represent the Kingdom of Heaven to earth.

The Kingdom Community is NOT a King religious grou It is a COLONY (extension) of
PHILIPPIANS 3:20

The Kingdom Community is a governed people.
We are ruled by the KING. He has called us, chosen us, and expects us to function according to His will.

If we don't understand God's purpose in our lives (DOMINION), we will not reach the point where we value this KINGDOM COMMUNITY we belong to.

A KINGDOM COMMUNITY is:

1. A governed people. Christ is King, not self. [COLOSSIANS 1:13]
2. A covenant family- not consumer or expectators [Ephesians 2:19]
3. A visible expression of the reign of God. [ROMANS 4:17]
    - We are a reflection of the influence of the invisible God in our lives.
4. A body with a shared life, purpose, and authority. [1 CORINTHIANS 12:12-27]

We are not here just to be informed, but to _ be TRANSFORMED.
The KINGDOM of GOD is not just an idea-it should be a REALITY in this community.

WHY DOES THE KING GIVE US A COMMUNITY?

1. **To reveal the nature of the KING God** reveals who He is by how His chosen people live with each other**.** [JOHN 13-35]

2. **To restore what sin destroyed in our lives**
   Sin isolates; creates competition among people; produces division/individualism. Kingdom restores interdependence. DISOBEDIENCE to God destroys the community.

3. **To form us into Kingdom Citizens** Community is where pride is exposed, character is shaped, submission is learned, and forgiveness is practiced.

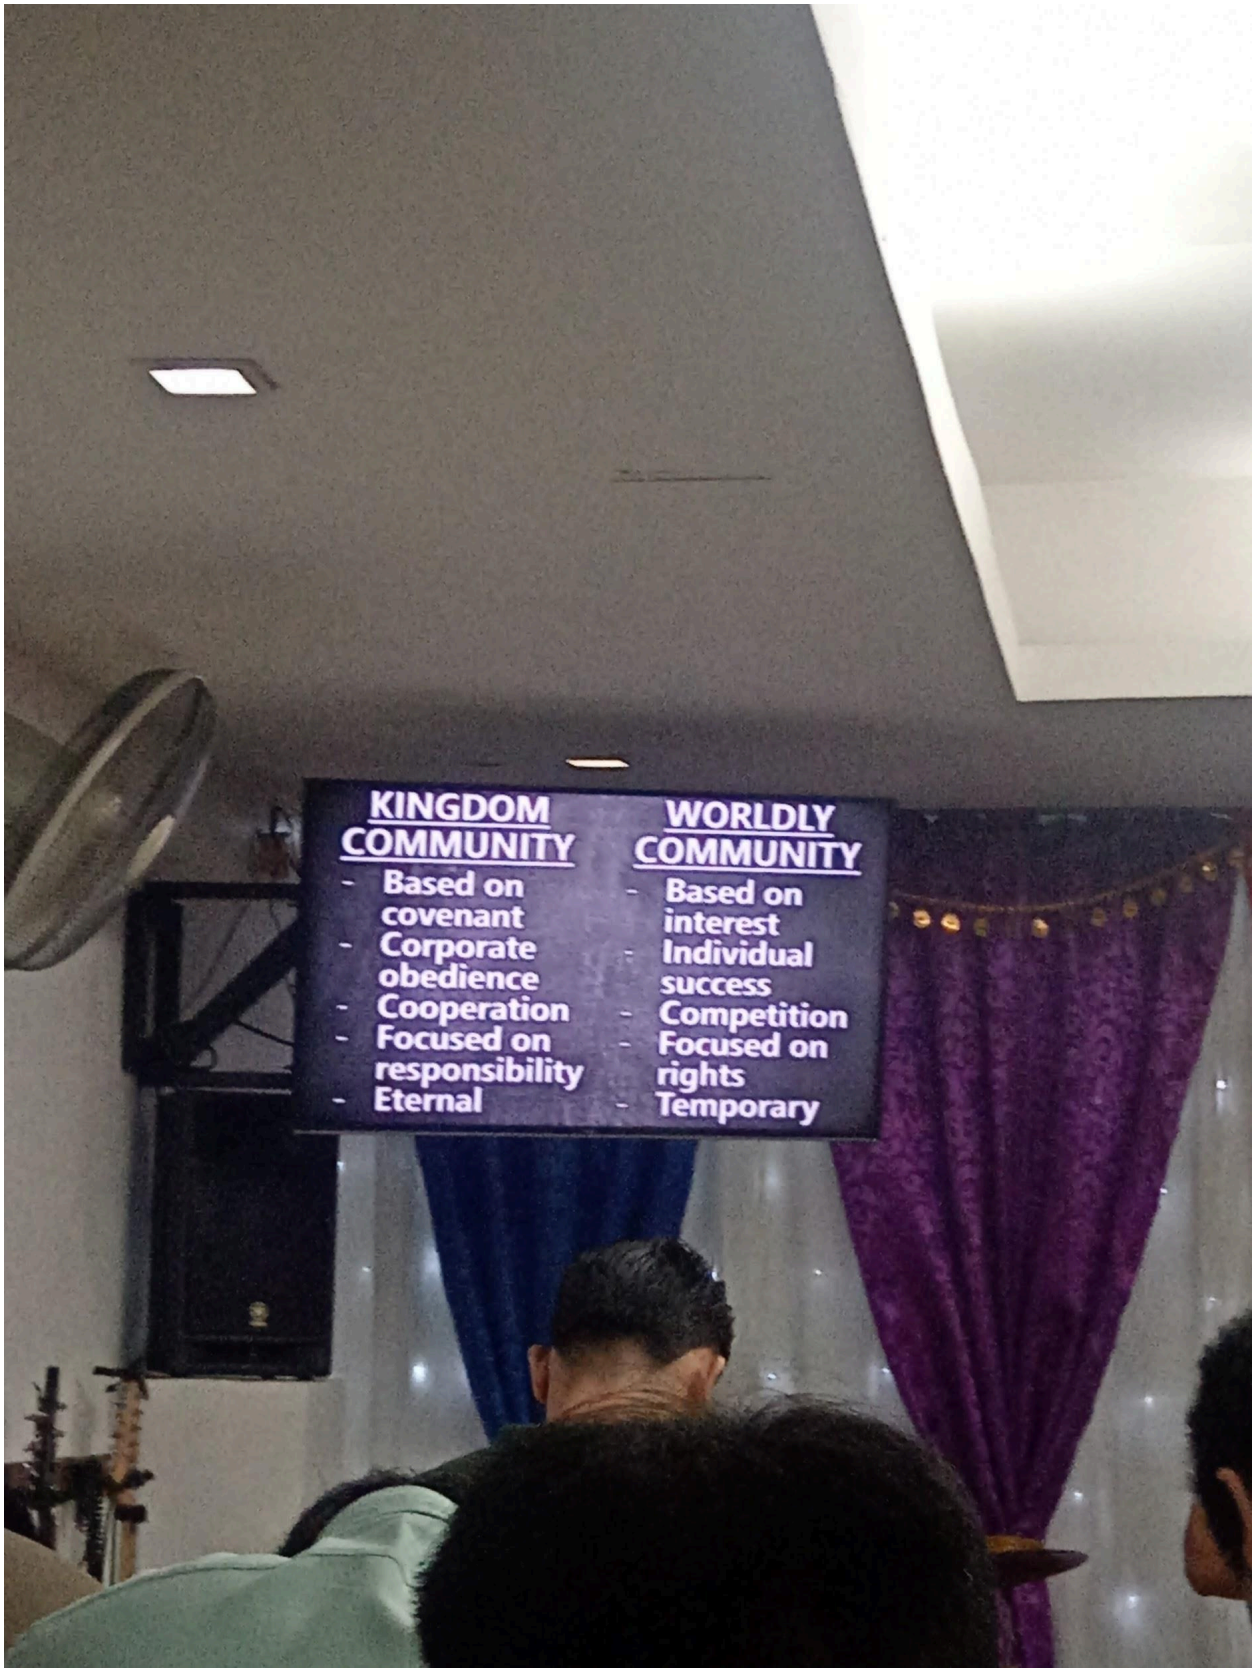

Private faith may save you, but kingdom community FORMS you. PROVERBS 27:17

4. **To demonstrate Kingdom authority and power** [Matthew 18:20] Unity (agreement) allows us to experience God's authority and power .

The KING releases power through UNITY, not in independence.

5. **To advance the King's mission on earth** [1 PETER 2:9] The Kingdom of God is designed to be advanced not by an individual, but a people.

The Kingdom advancement is faster through unity in the community, than individual talent.
