Be-Attitude: it is a result of a changed mindset

IF YOU ARE IN THAT KIND OF ATTITUDE,
YOU ARE BLESSED (HAPPY)

The word "BEATITUDE" is not found in any English translation of the bible, but only a heading.

Beatitudo is a Latin word for blessedness, and it is found in the Vulgate, St. Jerome's Latin translation of the Bible

Our perspective in life should be different from that of those who are living outside of the Kingdom of God.

Our culture should reflect the culture of Heaven

Matthew 5:16
Matthew 5:38

We are designed to be Christ-like.

Stop thinking about doing the same as what they did to you. Instead, listen and focus on what our great teacher is saying.

Decide now when you will truly live your life inside the Kingdom. We may think that we already belong to it; that might be true, but does our life reflect that of a true citizen?

The words of the King must be seen in our daily lives, not in life after death.
[Hebrews 9:27]

We shall speak and act for what we believe in
