The Big Idea of God for His Kingdom

April 26 Tatay Pastor Libby Bayadog

Matthew 3:13-17

BAPTISM OF JESUS

It became an inauguration (the start of something new) of Jesus' earthly ministry.

Jesus' message coincides with John's message. [MATTHEW 3:2,
4:17]

John's assignment was to prepare the way of the Messiah [Matthew 3:3, Luke 1:76]

In essence, BAPTISM is accepting or agreeing, and submitting to the same teaching under a certain group.

If you believe in Jesus, you will also believe His teaching.

"Kaya ako magpa pa-bautismo dahil naniniwala ako sa Panginoong Hesus a tinatanggap ko ang Kanyang katuruan.

Luke 7:28-30
Mark 16:16

"Baptism is part of salvation."
MARK 16:16 is about faith; it is about believing in God and His teachings.
Baptism is an outward expression of outward faith in

His empowerment by the Holy Spirit

Empowerment for Purpose, not for repentance of sin [MATTHEW 3:15

Anointing as Christ (Messiah), from His private life to His public redemptive mission

Identification with humanity JOHN1:29]

Manifestation of the Kingdom; the mission of the Triune God is to bring the Kinadom to earth

Model for believers

Water Baptism: what is it to us?

We are empowered by the Holy Spirit, just like Jesus when He was baptized Since we are followers of Christ, we are also empowered and enabled thru Him.

Your representation is legitimatized/ legalized. You are recognized as a legit ambassador the Kingdom of Heaven [MATTHEW 10:7, Luke 9:60, Luke 10:9]
