ROMANS 1:16-17

Faith produces a manifestation in our lives based on what we know. [Hebrews 17:11]

EPHESIANS 4:11-12

Its faith is like a mustard seed, then that seed is expected to become a tree. When it becomes a tree, a fruit is then expected of it.

From being a believer, to a follower, to a disciple everything is founded in faith in GOD.

We join the weekly gatherings because we want to know what we need to apply in our lives based on God's Word.

LUKE 4:43

Before, we only knew Him as a Savior, Healer, and Miracle-Working God.
However, Jesus never introduced Himself as such.
He has introduced himself as King.

When Jesus taught people to change their minds
(MATTHEW 4:17), He directed people not just to change their minds, but how and what to think of instead.
We are directed into the Kingdom of God.

JOHN 3:16 wasn't just about salvation. It's about God's plan, which focuses on sending JESUS as a way for man to be restored to the Kingdom. (see JOHN 3:3, 5-7)

Without Jesus we will not be able to understand the Kingdom, because He is the only perfect representation of the Kingdom. [HEBREWS 1:3]

Jesus came to reveal the Father. **[JOHN 14:9]**

He revealed the heart (the will, intent) of the Father.

He revealed the love of God as a ransom for many. [ROMANS 5:8

He revealed the nature of Heaven.

Jesus came to preach the Kingdom.

[MATTHEW 4:17, LUKE 4:43]

He preached about the Kingdom because it is what was lost to man.

He preached about the government of God and the divine order.

He is the visible expression of the invisible God. [HEB. 1:31]

The Gospel is not about Man escaping earth to go to heaven. It is about Heaven's government being restored to Man through King Jesus.

Jesus came to save Man from sin.
[LUKE 19:10]

What was lost to Man is relationship with God, authority, identity, dominion, and Kingdom citizenship.

Because SIN is a rebellion against the King, man was not able to fulfill His plan to extend the Kingdom.

Jesus did not only came to forgive sin, but to restore what Adam lost.

Salvation is not the end result for Man; instead, it is just the beginning of the restoration of Man into God's original plan, where Man exercises dominion in His Kingdom.

FRIEND OF GOD, in the Kingdom context: this doesn't mean that God and Abraham were of the same level. This means that they were allies; they were on the same side, both working on the same plan, in view of the same understanding of Man's purpose.

Jesus came to destroy the works of the enemy. [GENESIS 3:15, 1 JOHN 3;8]

The story of the Bible from Genesis to Revelation is the implementation of God's will about the Kingdom.

From the days of Adam and Eve, he suggests "truth" other than the REAL TRUTH from God. The enemy caused US:

- Lies
- Bondage
- Deception
- Sickness
- Spiritual Blindness [2 COR. 4:4]
- Death/Separationll

Those were the things inflicted by the enemy, but when King Jesus arrived, every miracle was proof that the Kingdom of Heaven was invading/colonizing/taking effect on earth.

Jesus came to give His life as a sacrifice. [MATTHEW 20:28]

The Cross was not only about the suffering. We must emphasize the purpose why Jesus had to go through it: to restore Man into the original plan of God.

At the cross, Jesus washed away sin, cancelled the punishment, and restored the sonship (relationship, connection with God) in man.

Jesus came to restore man's dominion.

[LUKE 10:19, MATTHEW 4:171

Adam lost dominion because of his disobedience. Jesus came as the last Adam (Man) to restore Kingdom authority.

Salvation is not only surviving after death (separation). It is a restoration of purpose, authority, identity, and Kingdom function, because we were created to represent the King on earth.

True rest comes from obeying the King, and not the
temporary comforts offered by the system of this world.
Let us not dare to live against the Almighty God, because none will prevail against His Kingdom.

Jesus came to aive the Holy Spirit

JOHN 16:71

The Holy Spirit is Heaven's presence on Earth in every man.

In the Kingdom, the Holy Spirit is a Governor that restores the influence of Heaven in us and through us. ROM. 14:17
We cannot live the kingdom life without the Kingdom of God. We cannot represent the King perfectly without the Spirit.

Jesus came to build disciples.

[Matthew 28:19]

When a disciple becomes committed to His Master. Just then will the church (the gathering of the chosen people) be birthed.

Jesus said "Go and make DISCIPLES", not "Go and make ATTENDEES"

The Kingdom is not about attendance, but about transformation and submission.

Jesus came to defeat death

JOHN 11:25

Jesus will return as a KING

REVELATIONS 19:16

In His first coming, He was a suffering servant. When He return, He will reign as KING and JUDGE
