A witness has evidence, not just hearsay.

A true witness in the Kingdom of God has himself as evidence that God rules over him.

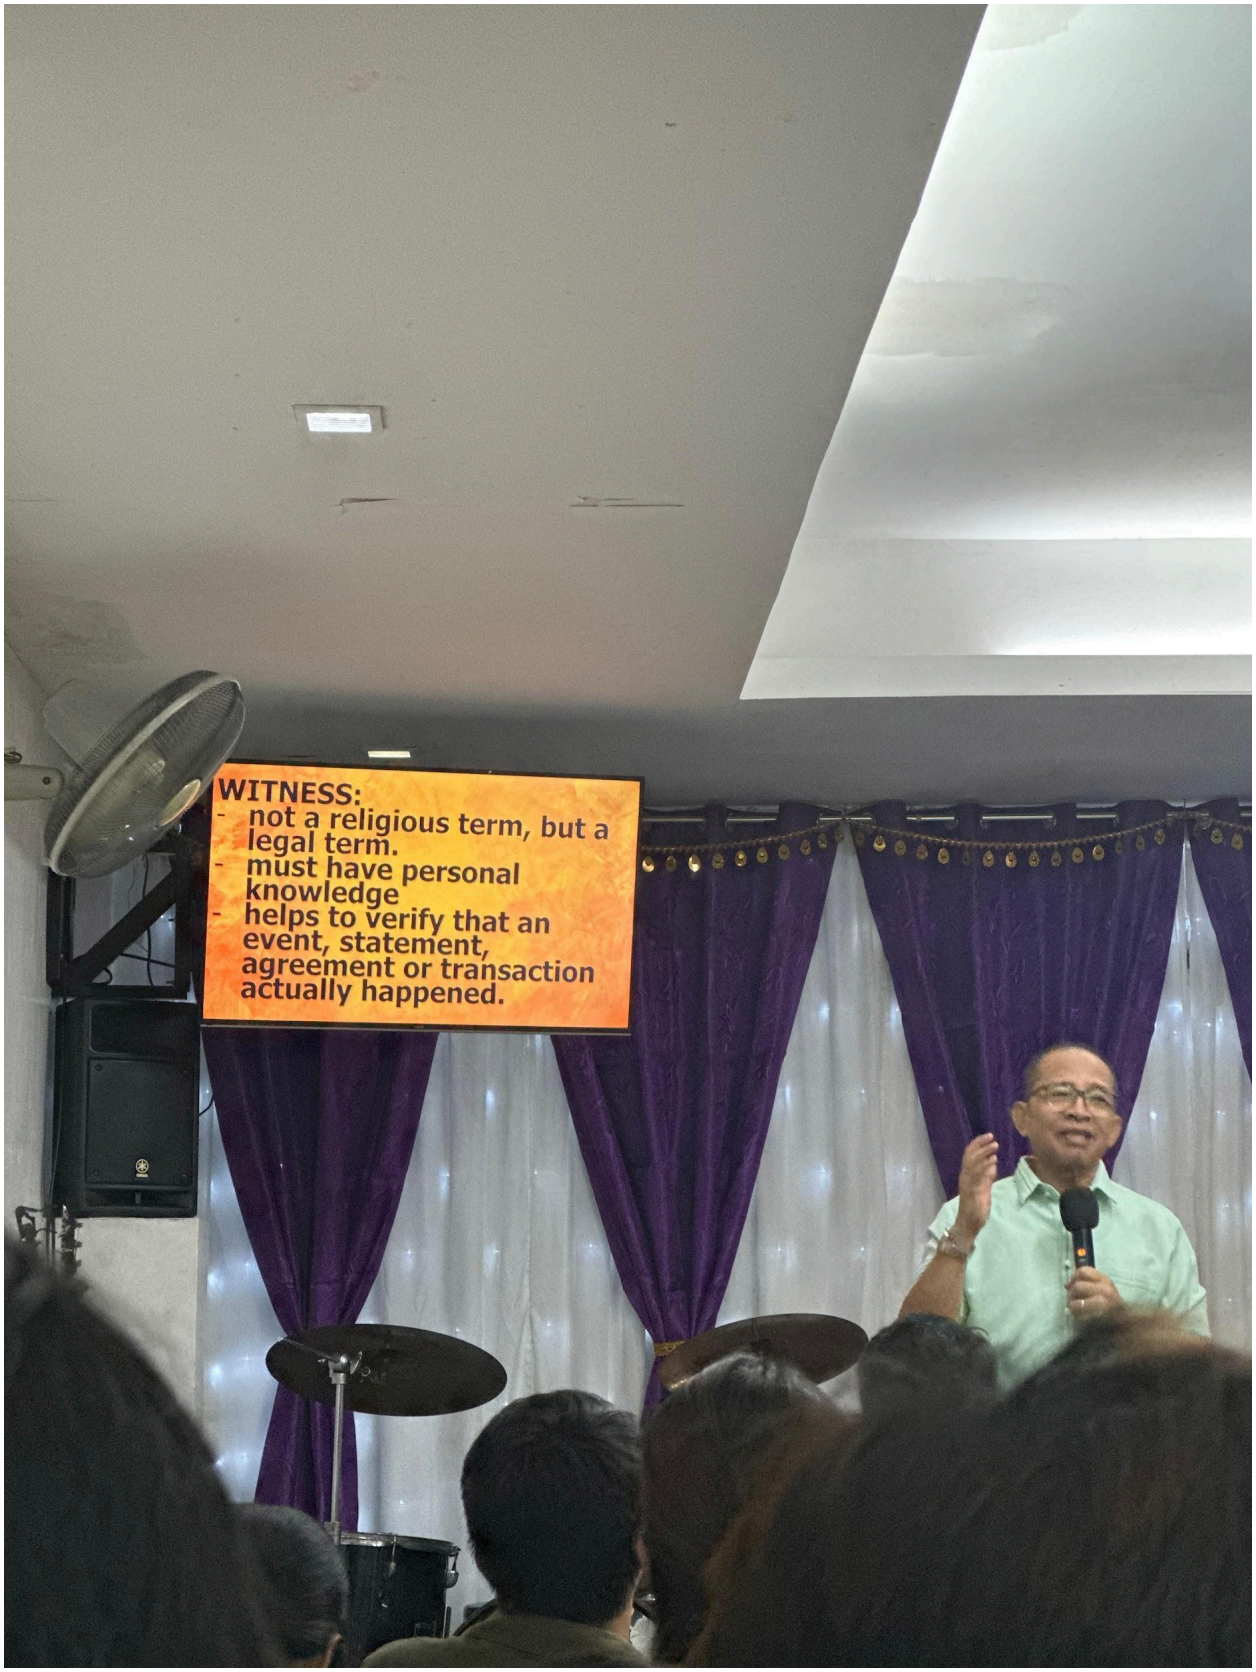

A true witness speaks naturally, testifying to what is true.

A true witness testifies to the truth by proclaiming to the kingdom of God to all

Matthew 10:16-22

A person becomes a false witness because of:
Fear
Personal gain & interests
Earthly reward

A true witness is not concerned with what they can gain, but with doing what is right.
