WHAT IS A KINGDOM?

Ideally, it is the sovereign government and governing influence of a king over his territory, impacting it with his purpose, his will, his nature, his laws. values, morals, and his culture producing a citizenry reflecting his lifestyle

Therefore, a Kingdom is a nation or a country ruled by a king whose culture and society reflects the king's personal nature.

WHEN A KINGDOM EXPANDS
ITS KINGDOM INFLUENCE
TO A DISTANT TERRITORY.
THAT PROCESS IS CALLED
COLONIZATION. ↙️

All kingdoms consist of the following: a king, a lord, domain or territory, a common language, a royal constitution, royal law, norms and values, morals, a royal code of ethics, royal protocol, an economy, a common Welfare, and and a unique culture that reflects the nature of the king.

Every country has a culture, and the Kingdom of God is no exception

Culture refers to the particular beliefs, moral values, social customs, and Lifestyles that distinguish a nation or people group as unique.

Kingdom faith is the distinctive characteristic of Kingdom citizens, so we can say that faith is the culture of the Kingdom of God.

2 Corinthians 5:7
Romans 1:17

- Faith is the currency In the Kingdom of God.

Currency refers to whatever is used as legal tender in a country.
€-Euro ¥-Yen $-US Dollar

If you have the wrong currency?

no matter how much money you may have in your pocket, you are as good as broke.
you cannot function at anything more than a bare subsistence level, sometimes not even that.

What do we call people who don't have any currency?

We call them poor :'([Huhuhu]

In earthly cultures, poor people are the people who have no money.
In the Kingdom of God, poverty is measured not in terms of lack of money, but in lack of faith.

People without faith are poor in God's Kingdom regardless of how much money is in their bank account.

Matthew 19:16-24

KINGDOM FAITH

is the Real Treasure

Earthly wealth is always temporary and can be stolen, lost, or depreciated.
But Kingdom faith is "access" to the unlimited store of the commonwealth of Heaven and can never be exhausted.

If you lose your money, you are only depleted.
If you lose your faith, you are completely defeated.

The devil is not after your money. He's after one thing--your faith. He knows that if he can steal your faith, you will be spiritually bankrupt

The poorest person on earth is the person without faith.

- Everything in the Kingdom is received by faith.
  Nothing in the Kingdom is received without faith.

Matthew 9:21-22,29
Matthew 15:24-28
Matthew 14:28-31

If faith is the currency of the kingdom, then faith is necessary for living in the Kingdom.

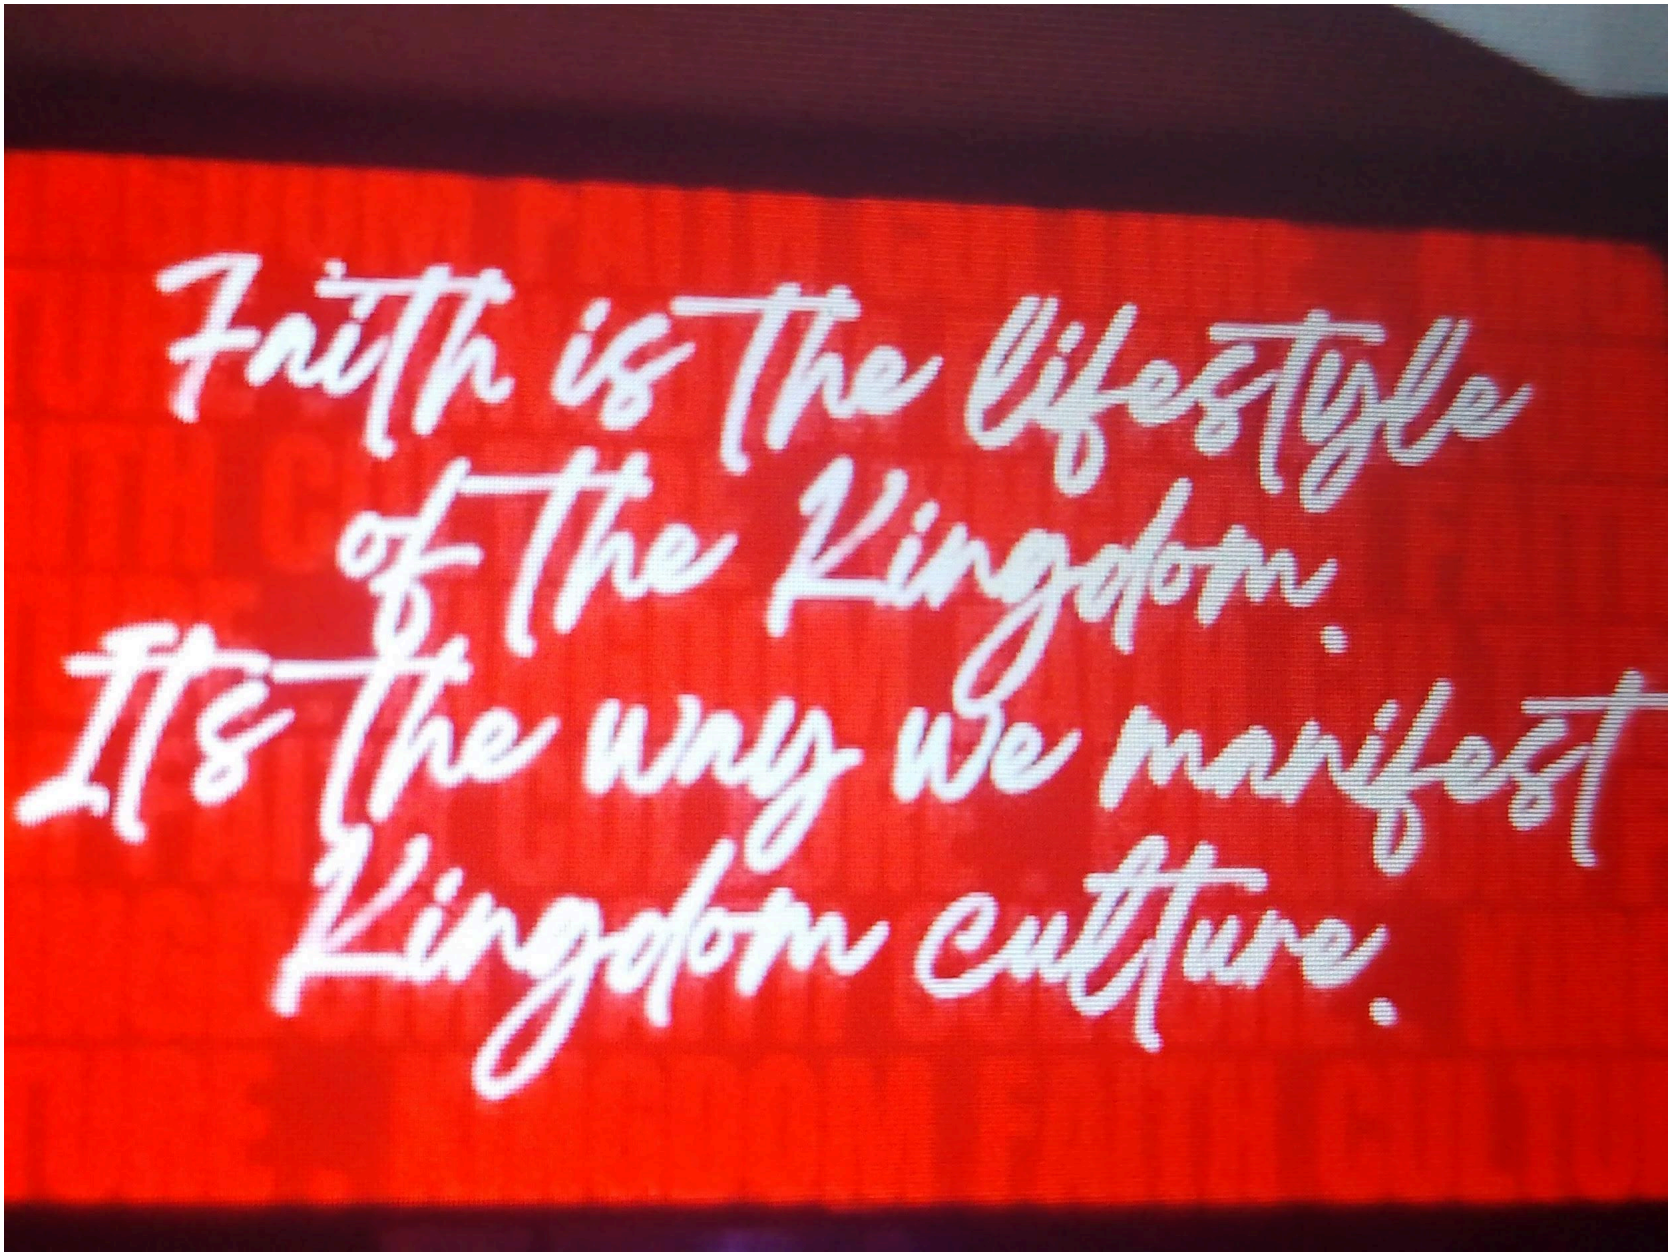

A constitution contains the precepts by which the country functions.

For a country's citizens to function effectively and enjoy the full benefits of their citizenship, it is important that they understand their nation's laws and how they work.

In the Kingdom of God, Faith activates the Laws.
Without faith, nothing we read in the Constitution (Bible) can come to pass.

Faith is the currency that activates all the promises and principles of the Kingdom

We cannot truly live a Kingdom life unless we understand and use laith properly.
