Romans 5:19-21
Romans 6:1-23
Romans 7:1-6

GRACE

Charis (χάρις) - a Greek word that means good will, loving kindness, or favor

Ephesians 1:5

God's redemption to mankind through SALVATION.

LAW

Inherent principles that regulate the nature of life and relationships in God's creation,

both natural and spiritual - to guarantee maximum fulfillment of the purpose and potential of life.

PRINCIPLES are the guiding rules that govern the people.
God's laws were created to protect His creation.

Matthew 5:17

FULFILLMENT
To carry into effect, to bring realization; to perform, to execute, to bring to pass; to ratify, and to be obeyed as it should be.

4 EXISTING TYPES OF LAWS

Divine/Spiritual Laws (Moral Laws)

-Laws that govern the spiritual realm.
Tithing [Galatians 3:23-25]
Honor your Parents [Exodus 20:12]

Natural Laws

-Original inherent natural principles and standards. Built into creation, necessary and required for effective function.

Legislative Laws

-Laws created by human governments for peace and order.
-These laws won't lead to destruction as long as it does not violate the spiritual and natural law.

Ritual Law

-A secondary and temporary rituals;
-A custom, systems or programs that require corrections and redemptive purposes. [Romans 6:14]
-The ritual laws were created and given at the time of Moses to correct them, and also to protect God's people.
-It is an imaginative comparison to an actual law.
