THE NEW CULTURE & THE OLD CULTURE

August 18 Tatay Pastors

Acts 2:42-47

Acts 4:32-37

FELLOWSHIP

- DERIVED FROM THE GREEK WORD KOINONIA.
- SHARED PARTICIPATION WITHIN A COMMUNITY

In the book of Acts, we can see that:

There was a culture of fellowship,

breaking of bread and prayer. They were united in one goal, heart, and mind.

They shared everything and no one was needy.

Everyday they continued to meet together.

OLD CULTURE *[ACTS 5:1-11]*

- The motive of Ananias and Sapphira could have been to earn praises from people, instead of intentionally sharing with the needs of the community. They lied and tested the Holy Spirit.
