Kuya Pastor Jec (January 26,2025)

Matthew 6:31-34
Revelation 1:9

How to seek the Kingdom?

Seek the King, first.

Uses three words together with speaking to humans

Knowledge
- Information , data we received

Understanding
- Comprehension of information

Wisdom
- Application of comprehension of the information

> Information never benefits you until you understand. Understanding will not benefit until you apply, that why wisdom is supreme. While wisdom is supreme, understanding is crucial.

REVELATION 1:9
