A Change from inside out

A mental Transformation

Dec 21 Tatay Pastor

Why do we need to change our minds?

(Bakit kailangan na natin magbago ng ating pag-iisip?)

1. It is a command (Ito ay utos)
[Matthew 4:17 Roman 12 1-2]

2. We cannot worship God if our mind is still the same (corrupt)
[Proverbs 23:7]

3. In order for us to understand His will.
[Romans 12:2]

HINDRANCES TO CHANGING OUR MINDS

(Mga hadlang sa pagbabago ng isip)

1. Our Culture / Mga nakagisnang kultura

2. Enjoying the things you're doing right now, which is not the Truth. (Mga bagay na kinagigiliwan natin na hindi naman naka-base sa Katotohanan.)

We need to **fully understand and practice the Truth** about the *Kingdom of God* so that the **Government of the Kingdom of Heaven will be seen in our lives.**
