Hermeneutics principles

1. The principle of kingdom context
- unawain ayon sa Layunin ng Diyos(Hari)
  Ang hari ay may kaharian, At ang context na sinasabi ng Hari ay tungkol sa kaharian.
- Within the context of Government
- The Bible is not a Religious book, its a concept of Kingdom Government
- So kailangan basahin natin ang Bible ayon sa Kingdom Context
- Matthew 6:10 Genesis 1:26

2. Original intent
- ano ang ibig sabihin ng Hari bakit nya sinabi ito. (Matthew 24:35 Matthew 5:18)
  John 1:1 john 1:14
3. The principle of contextual interpretation. (Yung setting ng panahon na yun)
- interpret every verse in its historical, literalage, grammatical para malaman ng maayos ang kahulugan ng whole message (Bible)
4. The Principle of the Kings Nature
- If you're interpretation contradicts to God's nature it is not correct
5. Kings Constitution (will and intent)
- Law of First Mention
6. Principle of Harmony
   (Scripture interpret His scripture)
- Because walang conflict
- No part of Kings Word cant Conflict
- Deuteronomy 19:15

7. The principle of the Holy Spirit.
   (The Holy Spirit is the Governor of the Kingdom.
   He reveals the Kings meaning to His Citizens)
- Without the Holy Spirit interpretation becomes humanreligious
- With the spirit it becomes revelatory and transformative
- John 16:13

8. The Principle of Application
- Understanding is incomplete until it leads to obedience and Transformations
- In the Kingdom, Revelations demands action

- Citizens live accord to the decrees of the King
- James 1:22
- Matthew 7:24

9. The principle of Progressive Revelation
- The Kings reveals His purpose progressively tru- out History (Genesis to Revelation)
- The Old testament contains the Kingdom Concealed(Genesis 3:15)
- The new testament contains the Kingdom Revealed (Jesus Began to Preach)

10. The principle of Christ as the Central Theme
- Ang lahat ng scripture ay patungkol lang lahat kay Christ/Haring Hesus
- He is the word made flesh the visible king of the invisible kingdom
- Psalms 40:7
- Hebrew 10:7
