We, the citizens of the Kingdom, are the custodians of the truth-the constitution (bible).

When God answers our prayers, it is not because He loves His citizens; it's always for His glory and serves His purpose.

The King answer our prayers because:
1. It is because he is committed to fulfill His will.
2. It is His nature, a benevolent (good) king.
3. For His reputation

To be able to experience the Kingdom, one must change one's MIND.
